 - a. What goes into an ad to make people want to apply?
2. Using an online system that runs 24/7 to enable people to apply easily
3. Objective assessment of candidates to make sure you make the best hiring choice

This webinar will also include:

- History and application of job related testing
- Job related Mental Aptitudes
- Behavioral traits important to successful job performance

Each person in attendance will receive a *complimentary* Achiever assessment to see first-hand the accuracy and reliability of the assessment.
